

HOLISTIC ENERGY MANAGEMENT SOLUTIONS

Powered by APPI Energy

As an Affinity Partner to the Illinois Collaboration on Youth, APPI Energy is available to provide data-driven, holistic energy management services and custom solutions to members. As part of your membership benefit, APPI Energy can analyze your energy usage, evaluate your energy bill, deliver a green-apples-to-green-apples comparison of supplier prices and contracts, and negotiate a supply solution tailored to your budgetary needs and sustainability goals.

Benefits to you include:

- **Negotiating on your behalf:** Advocating for you, not the supplier or the utility
- **Minimizing risk:** Analyzing contracts and monitoring regulatory changes
- **Providing customized solutions:** Including comprehensive evaluations on demand and usage profile
- **Save you time:** Evaluate local utility and government policies to ensure all incentives are being captured

Operating on a foundation of data-driven consulting solutions, designed to help you save time, money, and minimize budgetary risk on the energy procurement process, APPI Energy is unbiased, working with only the most trusted, heavily-vetted suppliers.

Additionally, APPI Energy offers energy management solutions to reduce demand, reduce costs, and increase sustainability. As a true extension of your team, APPI Energy provides holistic, tailored solutions that help you set and meet your energy goals while reducing overall energy costs.
