## Requirements:

- Complete the Capacity Building Assessment Tool for Organizations (CBAT-O)** ([Assessment available starting October 2, 2023](#)).

IDHS has contracted with ICOY to assess, train, and work with the Department's youth services program providers to build trauma capacity. The Department's goal is to have 100% funded youth services providers achieving and maintaining a "Trauma Informed" status. All IDHS funded sites are expected to participate in the CBAT-O trauma assessment, training opportunities, and suggested action plans, if determined necessary. Sites will not be penalized for their responses or the scores that result from the accuracy of the responses. **However, all IDHS sites are expected to have a minimum of 80% participation across all staff levels.** The expectation is for all sites to experience growth in their delivery of trauma informed services.

- Attend all of the following Trauma-Informed Care Trainings:**

- IDHS Trauma Training: The Impact of Trauma on Youth
- IDHS Trauma Training: Vicarious Trauma
- IDHS Trauma Training: Trauma Informed Supervision
- IDHS Trauma Training: Culture & Trauma

- IDHS Trauma Special Topics (optional and/or can substitute for any of topics above)**
