Capacity-Building Assessment Tool for Organizations (CBAT-O)

Service	Description	ICOY Member Cost	General Public Cost
CBAT-O	<p>The Capacity Building Assessment Tool for Organizations (CBAT-O) is an online assessment developed through a Substance Abuse and Mental Health Services Administration (SAMHSA) capacity building grant. It aims to assist organizations in implementing trauma-informed care. Administered by ICOY's Trauma Initiatives Team, the assessment serves three main purposes:</p> <ul style="list-style-type: none">• Help organizations assess their ability to provide trauma-informed services.• Identify areas of strength in Trauma-Informed Care within organizations.• Highlight areas for growth in Trauma-Informed Care. <p>The assessment can be administered across entire organizations or targeted at specific departments, locations, or teams. The entire process can span from 3 to 6 months, encompassing pre-planning, data gathering, data analysis, report generation, sharing of results, and implementation of recommendations.</p>	\$3,500.00	\$5,000.00
